Qualifications:

The 111th Congress has done more damage to the American dream (e.g., with their passage of sweeping, unread legislation, like the disastrous Dodd-Frank Financial Reform bill, 'HR 4061: Cybersecurity Act of 2009, etc.) than almost any other Congress before them. Polls prove people are utterly dissatisfied with not only the institution of Congress, but also with the false choice of the welfare-warfare state presented by the two dominant political parties.

People are tired of incumbents that are long on rhetoric and media appearances and short on actually getting the government off the backs of the people. I have a vision of American returning to its roots of minimum government, thriving small business, and reduced foreign entanglements. With your support, we can realistically step into that vision.

I believe that my professional and academic experience as quantitative analyst, in addition to my success creating numerous small businesses, makes me the clear and best choice to help our country's families and small businesses thrive again. Please take a moment to closely review the choices for Utah's 3rd and very seriously consider voting for the right person, and not just a 'party'. You're family's future may very well depend on it.

NOTICE: THE LIEUTENANT GOVERNOR SHALL REVIEW INFORMATION SUBMITTED FOR INCLUSION ON THE STATEWIDE ELECTRONIC VOTER INFORMATION WEBSITE FOR COMPLIANCE WITH LAW. THE LIEUTENANT GOVERNOR MAY REFUSE TO INCLUDE INFORMATION THAT IS NOT IN KEEPING WITH UTAH VOTER NEEDS, PUBLIC DECENCY, OR THE PURPOSES, ORGANIZATION OR UNIFORMITY OF THE WEBSITE (SEE UTAH CODE § 20A-7-801(4)(D))
